were doomed to destruction by dynamite, in order that Ireland might be free, thus exorder that Ireland might be free, thus exof the Mormons, that the religious portion
of the Mormons, that the religious portion dissenting vote. It was not, however, actually order that Ireland might be Iree, thus expresses himself in the current number of the United Irishwan as to the assassination of Lord Frederick Cavendish and Mr. Burke:

There is no necessity for us to make any guesses as to who or what was the cause of the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men. Some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of those men, some say the murder of the execution of the execut as to who or what was the cause of the nurder or the execution of those men. Some say the nurder was committed by men in the interests of the landlords, or the Tories, or Forster, or by the enemies of the Land League; others say the execution was done by men who represent the outraged victims of tyranny and oppression. One thing is certain—the deed was not done by those milk-andwater Land-Leaguers who prate to us of freeing Irohand and ridding the country of landlordism without striking a blow. This blow now has been struck by some men. If they happen to be frishmen who feel the wrongs of their country and would right them or avenge them by desperate means, they shall have no word of condemnation from us. They have dared the peril of doing it, they are on the spot where the wrongs of the tyrant are inflicted and felt, and there is no lear that we are going to join the cowardly crowd of

the convictions he here expresses; if he had,

been decreased. British reports show that erty was the cause of the injury, or of the recks securred, attributable to weather; in | put up fences, if such were necessary? They 1878 the number was 1429; in 1879, 1109; are the authors of the trouble, and it is in 1880, 891. LARGE COTTON FACTORY

To Be Started at Weldon, N. C., by Senaters Mahone and Cameron.

RALEIGH, N. C. May 11.—Senators Don Cameron and William Mahone have decided invest in real estate and water-power at cars of every description, and for spinning cotton. Many years ago the State took stock in the Roanoke Navigation Company, and sided in digging a canal from Weidon to Gaston, a distance of twelve miles. By and rocks at Weldon and Gaston, and take oats up and down the canal to deep water down," weldon to carry a portion of Roanoke river to Weldon to run two corn and wheat mills, water in the river can be turned at Gaston to Weldon is as great that mills and factories and by the Great and factories of the Raleigh and Gaston, the Wilmington and Weldon is as Greaton, the Wilmington and Weldon is as Greaton, the Wilmington and Weldon is as Greaton, the Wilmington and Weldon is as Gaston, the Wilmington and Weldon is as Gaston and European Railway Company. Large and important concessions are made to the House of Commons of Newfoundiand State Senator Mitthellous Can and European Railway Company. Large and impor at Gaston. Like all investments of the kind in which the State engaged, this company soon ceased to operate the canal for the passage of boats, and since the war it has been used to carry a portion of Roanoke river to the river at Gaston high enough to turn the river into the canal. Water privileges from Weldon to Gaston will be purchasable so

SHOT BY HIS COMRADES.

Polk's Army to Fall.

1-x-Governor James D. Porter, of Tennessee who was on the staff of General B. F. Cheat ham in the army of General Leonidas Polk, has given a Nashville correspondent of the Weekly Times an account of the first skirmish that occurred in the fighting bishop's command, just after he took possession of Belmont and Columbus, Ky., in 1861.

On the morning of the 9th of October of that year, Lieutenant-Colonel Logwood, with eighty men of the Seventh Tennessee Con-federate cavalry, composed of what had been known as the Memphis Light Dragoons, under the immediate command of Captain Taylor and Lieutenant Armstrong, left Coabout forty-five miles. The capture of the pickets around Paducah had been determined chairman of the Revision of the Laws Com-

and at long taw, he would join the little and at long taw, he would join the little cattle could pass along them—we should hand, and take all the risk for his neck that regard their suggestion as insult added to hand, and take all the risk for his neck that regard their suggestion as insult added to the occupation of murderer implies. But for this he has too much prudence. O'Donovan Rossa is one of the class to whom Parnell alluded in his recent speech in the House of Commons, when he referred to the crime as having been committed by men who absolutely detest the cause with which he was associated, and who davised and cavried in the House of the crime as associated, and who davised and cavried in the thouse of the class to the contral pass and the crime as associated, and who davised and cavried in the House of the crime as associated, and who davised and cavried in the House of the crime as associated, and who davised and cavried in the House of the crime as associated, and who davised and cavried in the House of the crime as associated, and who davised and cavried in the House of the crime as a beaut the position taken, that the existence in conhect the critical that mills and factories of the shooting he passed of the critical that mills and factories. On the the circumstances of the shooting he passed of the critical that mills and factories. On the the circumstances of the shooting he passed of the critical that mills and factories. On the the circumstances of the shooting he passed of the critical that mills and factories. On the the circumstances of the shooting he passed of the critical that mills and factories. On the the circumstances of the shooting he passed of the critical that mills and factories. On the the circumstances of the shooting he passed of the critical that mills and factories. On the the circumstance of the shooting he passed in the first of the liquid the cattle could pass along them—we should be care the position taken, that the existence in can be errent with by high water, the most "I hardly think I'il live to se the matte settled, though I would be pleased indeed i Keifer. They could not have done it but by the sale of the Pannsylvania delegation, which was worked out by Robeson and by Don Cameron and two or three other Pennsylvania shysters interested in subsidies and Don Cameron and two or three other Pennsylvania shysters interested in subsidies and street of the existing Legislature and a street of the existing Legislature "Being elected Speaker, Keifer had not the ampliness of character to set up for himself, ut allowed this set of fellows I have named is composed of New York and London capitalists, contains, among others, the names of William Bond, Norvin Green, Frank W. SOLVING WEATHER PROBLEMS.

Recent statistics show that the issuing of weather forecasts and the posting of signals at seaports are producing valuable signals at seaports are producing valuables. The number of shipwrecks has been decreased. British reports show that the succession of the producing valuable been decreased. British reports show that the injury, or of the injury, ought to be the necession of caution of the succession of the succession of commerciation of commerciation of commerciation of the succession of the succes a blunder he never corrects it, but, on the contrary, defends it. Having undertsken several times to harangue Congress, and using some unauthorized word, like the word 'reprimand,' he will send for a dictionary to show that he used it in the proper way. The House got out of his hands a few days ago, and just ran riot, and he had no more control over it than a lady would have of a runaway team. The old heads around Congress, the old clerks and servitors, are looking on with apprehension and contempt to see the Congress which really carried out these vast changes of government falling into disorder under such incompetent and common hands. Since Keifer was elected Speaker the men of ability have all been disconnected, and do not spring to their work counted, and do not spring to their work counted, and do not spring to their work and contends and contends the constructed from Cape Ray. TENNESSEE NEWS.

Mr. Colyar founded the first low tax party in Tennessee in 1874. It is of some value to business men who, he admits, are taking an interest in this question, to know that Mr. Colyar is using this grave issue, affecting the very life, progress and material prosperity of Tennessee, precisely as he has used it before,—Nashvi le Banner.

The business men will not allow the American to escape meeting a grade question express trains with London and all continental | against the mill dam .- Nashville Fanner The most extraordinary of all the abst breach of faith on the part of the State-credit Democrats. To whom, by whom, for what? What in the name of sense, or the centers, and the dangerous coast, a thousand miles in extent, lying between Cape Race and New York—the grave of numerous ocean steamers and sailing ships—is completely avoided. The company snticipate carrying annually across the Atlantic by this shades of what was once sense, are you driving at? How can you connect this and that and bring this argument within the bound of logical connection with the subject?—Nashville Banner.

Mr. Colyar has at last had it prodded into him that the progressive business men of this State are opposed to his policy. So at last he admits that this is a business issue which deeply concerns business men wi hold their honor and integrity as a maide her virtue. These are, of course, Republ cans in disguise. They are surely no Democrats. He admits that they are wis men. They are not confined to Nashville men. They are not commed to Nashville. Such is the opinion of all the intelligent and progressive worth of the State, whether it be the merchant, the mechanic, the lawyer, the doctor, the farmer, the manufacturer—all Nashville has an active broom brigade, and is now establishing a house of refuge. Knoxville hoped the Cole system railroad

the live and progressive men who are twith the times and desire to move ahead. At Polaski Mr. E. F. Aymett knocked a Nashville Banner. nephew down, when another nephew, brother to the first, gave him three heavy stabs in the face. The wounds will heal, and the assailants were let off on a nominal fine. We have given Mr. Colyar our views as to the only method by which the Democracy can succeed in the coming election, and furthermore we very frankly say that such Democracy, with his "affiliation with repudi-The Banner says: "Standing at the door of McKendree church yesterday and looking over the large audience seated in the church, ationists," which he denounced so bitterly 1880, ought to be hissed from the borders a pretty picture was presented by the variety the State by every honest and progress;
Democrat. An honest, upright, straigh
forward, conservative Democracy alone ca

BAKING POWDER.

Absolutely Pure

BOYAL BAKING POWDER CO., New York CHERRY PECTORAL.

Various Causes-Advancing years, care, slekness, disap-pointment, and hereditary predisposi-tion—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not de stroyed or the glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, on which a few applications will promise one grass and freshness of youth. Harmless and sure in its results, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone

AYER'S HAIR VIGOR is colorless; contains neither oil nor dye; and will not soil or color white cambrie; yet it lasts long on the hair, and keeps it fresh and vigorous, imparting an For sale by all druggists.
